STATEMENT OF DEMANDS & NEEDS

Prepared for: Charminster Close Residents Company Ltd

Information received from you

We have based your Statement of Demands & Needs on the information provided to us. Your need was identified as a Directors & Officers Liability Policy to cover resident associations.

We have reviewed your insurance requirements and provided a quotation with W R Berkley. Our personal recommendation is made as we are satisfied that the insurer offers cover which is comparable with your previous insurance and the product is competitive in comparison with other contracts in the market that we have access to.

Your attention is drawn to the Insurers Summary of Cover. We have summarised below the demands and needs which are more specific to you and will be fulfilled by the policy cover recommended.

Cover

We have quoted on the basis of providing cover on a limit of indemnity of £100,000.

You have advised us there have been no claims in the last 3 years at this property.

Duty to disclose all material facts

You should already have been advised (and we take the opportunity to remind you) of your duty to disclose all material facts. This means that when seeking new insurance, amending or renewing an existing policy, that every proposer or insured must disclose any information which might influence the insurer in deciding whether or not to accept the risk, what the terms of the policy should be or what premium to charge. If you fail to disclose all material facts this may render the insurance void from inception (the start of the contract) and enable the insurer to repudiate liability (entitle the insurer not to pay your claims). If you are not sure whether a fact is material, you should disclose it. Should you require further guidance, please contact us.

If, when you have read this statement, you think that we need further information please let us know.
