'Declared Value' means the Insured's assessment of the cost of Reinstatement of the Property Insured at the level of costs applying at the inception of the Period of Insurance (ignoring inflationary factors which may operate subsequently) together with in so far as the insurance by the item provides due allowance for:

- 3) the amount of any charge or assessment arising out of capital appreciation which may be payable in respect of the property or by the owner thereof by reason of compliance with the Stipulations.

Special Conditions

- A) The work of reinstatement must be commenced and carried out without unreasonable delay and in any case must be commenced within 12 months after the DAMAGE or within such further time as the Insurers may allow during the said 12 months and may be carried out upon another site if the Stipulations so necessitate subject to the liability of the Insurers under this Supplementary Condition not being thereby increased.

- B) If the liability of the Insurers under any item of this Policy apart from this Supplementary Condition is reduced by the application of any of the terms and conditions of this Policy then the liability of the Insurers under this Supplementary Condition in respect of any such item will be reduced in like proportion.
- C) The total amount recoverable under any item of this Policy in respect of this Supplementary Condition will not exceed:
 - a) in respect of the lost destroyed or damaged property its sum insured

- 3) All the terms and conditions of this Policy will apply:
 - a) in respect of any claim payable under the provisions of this Supplementary Condition except in so far as they are varied hereby
 - b) where claims are payable as if this Supplementary Condition had not been incorporated.

- 4) If at the time of Reinstatement the sum representing 85% of the cost which would have been incurred in reinstating the whole of the property covered exceeds the sum insured of the individual property insured at the commencement of any DAMAGE the liability of the Insurers will not exceed that proportion of the amount of the DAMAGE which the said sum insured bears to the sum representing the total cost of reinstating the whole of such individual property at that time.

This Special Condition 4) will not however apply provided that the Insured have carried out regular valuations utilising qualified RICS (Royal Institution of Chartered Surveyors) members at intervals of not more than 3 years and:

General Conditions

1 Arbitration

If the Insurers admit liability for a claim but there is a dispute as to the amount to be paid the dispute will be referred to an arbitrator. The arbitrator will be appointed jointly by the Insured and the Insurers in accordance with the law at the time. The Insured may not take any legal action against the Insurers over the dispute before the arbitrator has reached a decision.

2 Cancellation

The Insurers may cancel this Policy or any Section or part thereof by giving 14 days notice in writing by special delivery mail to the Insured at the Insured's last known address and in such event the Insured will be entitled to a return of premium in respect of the unexpired portion of the Period of Insurance.

If the Insured has taken out this Policy for purposes which are wholly or mainly unrelated to their trade, business or profession, the Insured may cancel this Policy within 14 days of receiving the Policy or renewal notice by writing to the Insurers and in such event the Insured will be entitled to a return of premium in respect of the unexpired portion of the Period of Insurance.

3 Change in circumstances

The Insured must notify the Insurers as soon as possible during the Period of Insurance if there is any change in circumstances or to the material facts previously disclosed by the Insured to the Insurers or stated as material facts by the Insurers to the Insured which increases the risk of accident, injury, loss, damage or liability.

Upon notification of any such change the Insurers will be entitled to vary the premium and terms for the rest of the Period of Insurance. If the changes make the risk unacceptable to the Insurers then the Insurers are under no obligation to agree to make them and may no longer be able to provide the Insured with cover.

If the Insured does not notify the Insurers of any such change the Insurer may exercise one or more of the options described in clauses c) i), ii) and iii) of the Fair Presentation of the Risk Condition but only with effect from the date of the change in circumstances or material facts.

4 Claims Procedure

- a) On the happening of any event which could give rise to a claim or on receiving verbal or written notice of any claim the Insured will:
 - i) as soon as reasonably possible give notice to the Insurers
 - ii) as soon as reasonably possible notify the police in respect of any loss or damage by theft or attempted theft or by riot, civil commotion, strikers, locked-out workers, persons taking part in labour disturbances and malicious persons

- iii) as soon as reasonably possible forward to the Insurers any writ or summons issued against the Insured by a third party

- iv) take action to minimise the loss or damage and to avoid interruption or interference with the Business and to prevent further damage or injury

- v) at their own expense and within:

- 1) 7 days of loss or damage caused by riot, civil commotion, strikers, locked-out workers or persons taking part in labour disturbances or malicious persons
- 2) 30 days of expiry of the Indemnity Period in respect of Section B1
- 3) 30 days of any other loss or damage, interruption or interference with the Business or injury or disease

supply full details of the claim in writing to the Insurers together with any evidence and information that may be reasonably required by the Insurers for the purpose of investigating or verifying the claim and if demanded a statutory declaration of the truth of the claim and any matters connected therewith.

- b) No settlement, admission of liability, payment or promise of payment will be made to a third party without the consent of the Insurers.

5 Contractual Right of Renewal (Tacit)

If the Insured pays the premium to the Insurers using the Insurers' Direct Debit instalment scheme the Insurers will have the right which the Insurers may choose not to exercise to renew this Policy each year and continue to collect premiums using this method. The Insurers may vary the terms of this Policy including the premium at renewal. If the Insured decides that they do not want the Insurers to renew this Policy provided the Insured tells the Insurers or his insurance intermediary before the next renewal date the Insurers will not renew it.

6 Contribution

If in the event of a loss, damage or liability under this Policy there is in force any other insurance providing cover against such claim:

- a) the liability of the Insurers will be limited to its rateable proportion of such claims
- b) but which is subject to any provision excluding it from ranking concurrently with this Policy either in whole or part or from contributing rateably to the claim then the liability of the Insurers will be limited to such proportion of the claim as the sum insured bears to the value of the property.

7 Fair presentation of the risk

- a) At inception and renewal of this Policy and also whenever changes are made to it at the Insured's request the Insured must:
 - i) where the Insured has taken out this Policy for purposes which are wholly or mainly related to their trade, business or profession, disclose to the Insurers all material facts in a clear and accessible manner and not misrepresent any material facts, and
 - ii) where the Insured has taken out this Policy for purposes which are wholly or mainly unrelated to their trade, business or profession, take reasonable care not to misrepresent any material facts.
- b) If the Insured does not comply with clause a) of this General Condition the Insurers may:
 - i) avoid this policy which means that the Insurers will treat it as if it had never existed and refuse all claims where any non-disclosure or misrepresentation by the Insured is proven by the Insurer to be deliberate or reckless in which case the Insurers will not return the premium paid by the Insured; and
 - ii) recover from the Insured any amount the Insurers have already paid for any claims including costs or expenses the Insurers have incurred.
- c) If the Insured does not comply with clause a) of this General Condition and the non-disclosure or misrepresentation is not deliberate or reckless this Policy may be affected in one or more of the following ways depending on what the Insurers would have done if the Insurers had known about the facts which the Insured failed to disclose or misrepresented:
 - i) if the Insurers would not have provided the Insured with any cover the Insurers will have the option to:
 - 1) avoid the Policy which means that the Insurers will treat it as if it had never existed and repay the premium paid; and
 - 2) recover from the Insured any amount the Insurers have already paid for any claims including costs or expenses the Insurers have incurred
 - ii) if the Insurers would have applied different terms to the cover the Insurers will have the option to treat this Policy as if those different terms apply. The Insurers may recover any payments made by the Insurers on claims which have already been paid to the extent that such claims would not have been payable had such additional terms been applied

iii) if the Insurers would have charged the Insured a higher premium for providing the cover the Insurers will charge the Insured the additional premium which the Insured must pay in full.

- d) Where this Policy provides cover for any person other than the Insured and that person would if they had taken out such cover in their own name have done so for purposes wholly or mainly unconnected with their trade, business or profession the Insurers will not invoke the remedies which might otherwise have been available to the Insurers under this General Condition if the failure to make a fair presentation of the risk concerns only facts or information which relate to a particular insured person other than the Insured.

Provided always that if the person concerned or the Insured acting on their behalf makes a careless misrepresentation of fact the Insurers may invoke the remedies available to them under this General Condition as against that particular person as if a separate insurance contract had been issued to them leaving the remainder of the Policy unaffected.

8 Fraudulent claims

If the Insured or anyone acting on its behalf:

- a) makes a fraudulent or exaggerated claim under this Policy; or
- b) uses fraudulent means or devices including the submission of false or forged documents in support of a claim whether or not the claim is itself genuine; or
- c) makes a false statement in support of a claim whether or not the claim is itself genuine; or
- d) submits a claim under this Policy for loss or damage which the Insured or anyone acting on the Insured's behalf or in connivance with the Insured deliberately caused; or
- e) realises after submitting what the Insured reasonably believed was a genuine claim under this Policy and then fails to tell the Insurers that the Insured has not suffered any loss or damage; or
- f) suppresses information which the Insured knows would otherwise enable the Insurers to refuse to pay a claim under this Policy

the Insurers will be entitled to refuse to pay the whole of the claim and recover any sums that the Insurers have already paid in respect of the claim.

The Insurers may also notify the Insured that they will be treating this Policy as having terminated with effect from the date of any of the acts or omissions set out in clauses a) to f) of this condition.

If the Insurers terminate this Policy under this condition the Insured will have no cover under this Policy from the date of termination and not be entitled to any refund of premium.

If any fraud is perpetrated by or on behalf of an insured person and not on behalf of the Insured this condition should be read as if it applies only to that insured person's claim and references to this Policy should be read as if they were references to the cover effected for that person alone and not to the Policy as a whole.

9 Insurers' Rights

The Insurers will:

- a) be entitled to take over the defence or settlement of any claim made upon the Insured by any other party and the Insured will give all assistance as may be reasonably required by the Insurers
- b) have the right to enter the premises where the loss or damage has occurred and to keep possession of any of the Property Insured and to deal with the salvage in a reasonable manner but the Insured will not be entitled to abandon any property to the Insurers
- c) be entitled to take benefit of any rights of the Insured against any other party before or after the Insured has received indemnification under this Policy and the Insured will give all assistance as may be reasonably required by the Insurers
- d) at their option indemnify the Insured by payment, reinstatement, replacement or repair in respect of any property lost or damaged or part thereof. If the Insurers elect to reinstate or replace any property they will not be bound to reinstate or replace exactly or completely but only as circumstances permit and in reasonably sufficient manner and will not in any case be bound to expend in respect of any one of the Items insured more than the sum insured thereon.

10 Joint Insured

Any party insured under this insurance standing in the relation of parent company, subsidiary company, associated company, branch office or joint venture partner of the Insured stated in the Schedule will be deemed to be joint insured for the purposes of this Policy and forfeiture of indemnity under this Policy arising from any fraudulent act, misrepresentation, non disclosure or other breach of Policy terms or conditions by one of the said insured parties will result in forfeiture of indemnity for all of the said insured parties.

11 Legal Representatives

In the event of the death of the Insured the Insurers will indemnify the Insured's legal personal representatives in respect of liability at law previously incurred by the Insured provided they observe, fulfil and be subject to the terms, conditions and limitations of this Policy in so far as they can apply.

12 Long Term Undertaking

Where a Long Term Undertaking expiry date is stated in the Schedule a discount of 5 per cent has been allowed off the net premium on this Policy in consideration of the Insured undertaking to offer annually up to the expiry date or any date substituted therefor by endorsement hereon the insurance under this Policy or any other Policy or Policies substituted therefor on the terms and conditions in force at the expiry of each Period of Insurance and to pay the premium in advance it being understood that:

- a) the Insurers will be under no obligation to accept an offer made in accordance with the above-mentioned undertaking
- b) the sum insured may be reduced at any time to correspond with any reduction in value or in the Business.

The above mentioned undertaking applies to any Policy which may be issued by the Insurers in substitution for this Policy and the same discount of 5 per cent will be allowed off the net premiums on any substituted Policy issued by the Insurers.

Payment of the first or renewal premium due at the commencement of the said undertaking will be deemed acceptance by the Insured of this condition.

13 Payment by Instalments

Reference to the payment of premium includes payment by monthly instalments. If the Insured pays by this method this Policy remains an annual contract and the date of the payment and the amount of instalments are governed by the terms of the credit agreement. If an instalment is not received by the due date then subject to the Consumer Credit Act 1974 (if applicable) the credit agreement and this Policy will be cancelled immediately.

14 Premium Adjustment

If any part of the premium is calculated on estimates furnished by the Insured the Insured will keep an accurate record containing all particulars relative thereto and will at all times allow the Insurers to inspect such record. The Insured will within one month from the expiry of each Period of Insurance furnish to the Insurers such particulars and information as the Insurers may require. The premium for such period will thereupon be adjusted and the difference paid by or allowed to the Insured as the case may be subject always to the minimum premium stipulated.

15 Reasonable Care

The Insured will take all reasonable steps to:

- a) protect the Property Insured
- b) comply with statutory enactments, bye-Laws and any other obligations and regulations imposed by any authority
- c) employ only competent employees
- d) prevent accidents
- e) maintain all ways, works machinery and plant in sound condition.

In the event of the discovery of any defect or danger the Insured will forthwith cause such defect or danger to be made good or remedied and in the meantime will cause such additional precautions to be taken as the circumstances may require.

16 Sanctions

Notwithstanding any other terms of this Policy the Insurers will be deemed not to provide cover nor will the Insurers make any payment or provide any service or benefit to the Insured or any other party to the extent that such cover, payment, service, benefit and/or any business or activity of the Insured would violate any applicable trade or economic sanctions law or regulation.
